DSA5 Myth: Cultist's Notebook, Notebook (DE), 200 pages

In this 200-page notebook in A5 format with a creepy Mythos design, you can record your observations of the Hold on to the horrors that the great ancients bring to the world. The cover of this book is colored in a matching blue-green tone, whereupon Cthulhu's face stares at you in silver metal foil to constantly remind you of the threatening evil. Also a nice addition to the equipment of every investigator in live role play.
