Product Description

DSA - On Aves Paths, hardcover (DE)

"What an unbelievable honor! Mr. Aves, thank you on your knees for this great adventure! We become the known world travel and see all their wonders to describe them faithfully for posterity." - from the travel diary of Riziana Winzberg, consecrated to Aves

For the new edition of the Great Aventurian Atlas, the Aves Church spared neither expense nor effort and is sending the young consecrated Riziana with her companions to travel the continent. On Avespfaden you can experience this expedition in travel reports and diary entries and not only bring the Aventuria closer to the readers, but also tell the entertaining story of an unequal travel community.

On Avespfaden is ideal as an atmospheric addition to the Aventurian Almanac and is for Suitable for masters and players alike. Knowledge of the rules is not required for reading. Warning!Not suitable for children under 36 months.

The set of rules is required!
