Product Description

DSA5 playing card set - map set: The steaming jungle (DE), 7 cards

Exist on the fog-bathed ridges of the rain mountains, on the pearly white beaches of the forest islands and in the impenetrable rainforest in between For thousands of years the tribal cultures of the forest people and Utulus and watch over the dangerous mysteries of the steaming jungle.

Suitable for the regional game aid The Steaming jungle, the maps offer a detailed overview of the deep south of Aventuria. In addition to a three-part out-game overview map of the geographical regions and the tribal areas of the Utulus and forest people, the map set contains an atmospheric in-game map of the steaming jungle, as it could be available to your heroes within the game world.

The out-game cards are laminated to a high quality. In addition to the maps and city plans, the set contains a double-sided A1 poster with the cover motifs of the play aid and the armory of the steaming jungle.

Attention! Not suitable for children under 36 months.

The set of rules is required! As well as the Steaming Jungle.

The map set contains the following maps:

- detailed maps of Meridianas, the pirate islands and the forest islands (each A2)
- Overview map of the geographic regions of the Deep South and the tribal areas (A3 each)
- In-game map of the Deep South (A3)
- City maps of Ht-Alem and Kuruke-Lahe (A4 each)
- City maps by HRezzem and Tapam-Waba (both A5)
- perspective plan of the jungle village Hapo-Nesha (A5)
