## Product Description

ALIEN The RPG - Chariots of the Gods, Brochure (DE), 48 pages

The job was routine and the pay was good. Then the damn company sent you on a detour to respond to a distress call from a ship that disappeared nearly 80 years ago. A wreck that contains something bizarre, twisted and extraterrestrial.

Chariot of the Gods is a cinematic scenario for the ALIEN role-playing game from the pen of science fiction author Andrew E. C. Gaska. It was designed to introduce new players to the rules and to send them on a terrifying journey through space. The Chariot of the Gods is designed for 3 to 5 players plus a game master and lasts 4 to 5 hours.

Warning! Not suitable for children under 36 months.
