Product Description

Vampire V5 - The Masquerade: The Fall of London (DE), 260 pages

London 2012. Mithras, god among vampires, returns after the diablery by Montgomery Coven . The Heralds of the Sun awaken from the stupor without knowing who they are, but driven to regain five artifacts to restore their master to full glory.

The Second Inquisition rises to burn London's blood relatives to ashes. What legacy will you leave behind?

The Chronicle The Fall of London for Vampires: the masquerade draws you into the history of blood relatives. Through your actions you can help a god return or send him back to where he came from. London is on fire with Operation Antigen as you reveal the fragments of your own identity.

Warning!Not suitable for children under 36 months.
