Product Description

HeXXen 1733: Mare Monstrum Obscura, 128 pages (DE extension)

The sister volume to "Mare Monstrum" illuminates the Aegean Sea and the Eastern Mediterranean in detail on 128 pages. The information intended exclusively for the HeXXenmeister contains all the terrible secrets of organizations, nations and cults. Monsters are described in detail and with NPC values. In addition, there are rules to present ship battles and boarding maneuvers with as little effort as possible, but still colorful and exciting.

Attention! Not suitable for children under 36 months.

- Language: German
- Number of pages: 128
