Product Description

Equipment Mare Monstrum, playing card set - extension for: HeXXen1733 (DE extension)

This playing card set contains all relevant data for players in short form, including above all descriptions of hunters' powers, professions, motivations, clothing sets and objects. The data contained here refer to the books Mare Monstrum, the archive of the Wächterbund 4 and Unter Wölfen. It is an indispensable play aid on the gaming table, even if some descriptions are shown in abbreviated form as reasons of space.

Attention! Not suitable for children under 36 months.
