Product Description

Iron Kingdoms: Kings, Nations and Gods (EN Edition)

Add new dimensions to your adventures with this guide to the core of the Iron Kingdoms - the races and nations of Cygnar, Khador, Llael, Ord and the Protectorate of Menoth. Explore the steam-powered heart of a world of conflict and epic adventure with the help of a veritable wealth of new information that brings these nations to life with tremendous detail.

This indispensable, full-colour guide to the nations of the Iron Kingdoms offers you:

- An in-depth description of the histories, cultures and societies of Cygnar, Khador, Llael, Ord and the Protectorate of Menoth
 - New careers, traits and spells that give your characters the power to take on the dangers of the Iron Kingdoms
 - New equipment, including new Mekanika and magical weapons from the armouries of the Iron Kingdoms' military powers
 - New Steamjacks, including a whole arsenal of new Warjacks from the battlefields of Western Immoren
 - New regional and military adventuring companies, each with their own theme and benefits
 - A comprehensive overview of life in the Iron Kingdoms and the history of West Immoren
- Travel guide
 - Language: German
