Torg Eternity - Cyberpontifikat, Booster Deck (DE Edition)

This booster deck adds special cards to your game for the dreaded Cyberpontificate. A redesigned 40-card drama deck features unique special effects each turn, all designed to emphasise the oppression and futurism of the realm. Ten new Cosm cards increase the variety of effects and add surprise and unpredictability. Finally, five new cards are added to the Drama deck, bringing back some old popular cards and adding entirely new options to the mix.

Caution. Not suitable for children under 3 years. Choking hazard due to small parts that may be swallowed.
