Product Description

Torg Eternity - Aysle Sourcebook, 144 pages (DE edition)

Aysle is ruled by High Lord Uthorion and his armies of darkness. He has conquered Britain and Scandinavia and is now advancing into Europe ...

Aysle has launched his invasion from below, leading his people to the surface through vaults and tunnels between realms. Now every cellar can be a gateway to a world of subterranean adventure and treasure. In the seas and skies there are now dragons and other beasts.

Magic thrives in Aysle. Ancient legends take on new life. Heroes of light and monsters of darkness reenact them, drawing their power from the magic of stories and tales.

Not all invaders are evil. Pella Ardinay has led an army of her last followers, including elves and dwarves, to pursue her nemesis Uthorion. A showdown on Earth is imminent!

In this book you will find:

- new perks, wonders, spells and magic items for all players
