TAPWP1488 - Metallic Warpaint "Royal Purple", 18ml

from **2,36 EUR**

Item no.: 368787
shipping weight: 0.10 kg
Manufacturer: Army Painter

Product Description

Would you like to paint magical armour, alien weapons or corrupted treasures? Maybe the glittering, draconic skin of fantastic animal creatures? Our colourful metallic warpaints are just what you need! Now available in single colours and available in our retail shelf solution.

Your customers will crave these magical metallic colours. Our paint is available in a spill-proof 18-ml. oz. Dropper bottles - perfect for wet palettes and airbrushing. Our non-toxic water-based paints have a creamy viscosity, making them perfect for miniature painting. They mix perfectly with each other to create any colour combination you can imagine! Caution. Not suitable for children under 36 months.

- Brand new, unique metallic effect paint; elf dust
- Create amazing effects for armour, weapons and treasures
- Mixes perfectly to create new colour combinations
