Product Description

Warpaints™ Air Metallics are airbrushable metallic paints of unparalleled quality, based on the high opacity of specially selected and highly filtered metallic flakes combined with a very stable acrylic resin solution to make your miniatures look as if they have been cast from metal. Each paint is ready to use straight from the bottle and has the perfect consistency for your airbrush.

Our paint is available in a leak-proof 18 ml can. Dropper bottles with pre-filled mixing balls for easy shaking to ensure your colours always perform at their best. Caution. Not suitable for children under 36 months.

- Filtered airbrush paints
- Ready to use straight from the bottle
- Mixing balls are pre-installed in each bottle
- Perfect blends between each colour

- Colour: Elven Armor
