Product Description

Tools of the HeXXenmeister upgrade - witches, additional material - expansion for: HeXXen 1733

You still have space in your playbox Tools of the HeXXenmeister? Soon not anymore, because with this upgrade the box will be filled even more! The upgrade contains two punched sheets with the new resources Rage and Ambition presented in the witch hunt compendium for the witch hunter, but also many new monsters from the book Hexenzorn Grimoire for the witch master. In addition, you will find a new reversible table mat with a baroque ballroom on one side and rocky ground on the other. The last thing you will find in the folder are some new deluxe hunter bows that have been specially designed and expanded for witch hunters.

Warning! Not suitable for children under 36 months.
