Product Description

Speedpaint is truly a one-coat painting solution. Simply apply a rich coat of Speedpaint directly to a primed miniature and you're done! Speedpaint gives that part of the model both intense shading, vibrant colours and a highlight effect in just one coat. It flows perfectly over your miniatures and creates an unprecedented matt solution so you have more time to play.

Caution! Not suitable for children under 36 months.

Express varnishing:

- Single-layer coating solution
- Consistent colour flow
- Perfect contrast
- Intensive shading and highlighting effect
- 23 unique colours
- Leak-proof 18 ml dropper bottles
