Product Description

Deluxe marker set coups and ideas - extension for: HeXXen 1733 (DE)

The set contains 10 markers each made as poker chips for coups and ideas, with the help of which the In HeXXen 1733, player characters can activate their individual powers or voluntarily focus on rehearsals in order to achieve even more success. Corresponding markers in a simple form are also included in the box tools of the HeXXenmeister, but the player who values a particularly stylish appearance of his hunter cannot ignore the deluxe poker chip markers. The set is also suitable for all hunters, as coups and ideas are the basic resource of the game.

Warning! Not suitable for children under 36 months.
