Product Description

Expansion knowledge for the HeXXenmeister, playing card set - expansion for: HeXXen1733

This expansion set comprising 60 cards contains all monsters and NPCs that are included in the Kingdom of Thorns campaign as well as one Overview of new NPC powers used in the campaign. In addition, the monsters and NPCs from the adventures Possessed (contained in the book Archives of the Guardian Association) and Demon Spawn (contained in the HeXXenmeister screen) are included as cards. The cards come in tarot card size. With the help of plastic stands (such as those contained in the HeXXenmeister tools box), the HeXXenmeister can set up the practical monster cards in front of him while he can read all the relevant data of the monster on the back.

Warning! Not suitable for children under 36 months.
