Product Description

The hunter's notebook - extension for: HeXXen 1733 (DE)

The HeXXen 1733 hunter's notebook is a useful helper at the gaming table and in everyday life. The book in DIN A5 has a green cover with an antique werewolf illustration and noble decorations made of bronze metal foil. Inside, there is enough space for notes on the next monster hunt, to-do lists and your own thoughts. It is also an atmospheric accessory for every hunter in live role play.

Warning! Not suitable for children under 36 months.
