Product Description

Tools of the HeXXenmeister, additional material - expansion for: HeXXen 1733 (DE)

The HeXXenmeister tools box contains a wealth of game material for the baroque action role-playing game HeXXen 1733. This includes several punched sheets for markers, 18 special HeXXen cubes, a map for Europe, a table mat as a play surface, a 32-page booklet with aids and material for the HeXXenmeister, a DIN A5 game leader screen and an adventure booklet with various short introductory adventures. The box also includes a 40-minute atmosphere soundtrack journey through the magic forest, which was composed by Ralf Kurtsiefer.

Warning! Not suitable for children under 36 months.
