Product Description

Starfinder - Flip-Mat: Simple terrain (DE)

An extra-Golan landscape, an abandoned space station, the winding corridors of your spaceship - the adventure opportunities for which this flip- Mat can be used are endless! One side shows a grid with a dusty floor, the other with metal grids, so that game masters can find a canvas here on which they can create battlefields, factories or other locations! The coating The cards even allow permanent markers to be removed easily!
Warning!Not suitable for children under 36 months.
