Product Description

Pathfinder 2 - game master manual, paperback (DE), 256 pages

As the game master of a Pathfinder campaign, you are the architect of your players' adventures. This is a rewarding but at times challenging responsibility. But with this tape your task will be a lot easier!

The gamemaster manual covers all possible areas, be it that you create your own monsters and adventures, are looking for new sub-systems for exciting chases and infiltrations or just need a lot of ready-made and ready-to-use non-player characters!

Warning!Not suitable for children under 36 months.
