Product Description

DSA5 playing card set - Havena (DE)

Havena, the old port city on the Seven Wind Coast, holds many secrets that await the heroes' research.

< This set contains all special skills, traits, liturgies, ceremonies, creatures and other useful content from the city game aid Havena - Sunken Secrets. All relevant information is on the cards so that you can use them as a master directly in the game.

Warning! Not suitable for children under 36 months.

The set of rules is required! As well as Havena - Sunken Secrets.
