Product Description

The expansion Zombicide: White Death - Crossfire Pack contains 27 new miniatures as well as new weapons and even a new species of enemy, the deadbolt zombies, which make for a challenging gaming experience. With the new bolts, the zombies can now also be fought from a distance. But be careful - the deadbolt zombies are also equipped with bolts that they can use with their own crossbows. A game from the Zombicide Fantasy line is required to play the expansion. ATTENTION: The images show the graphics that have not yet been localised.
