Product Description

Immerse yourself in a world of knowledge and fun with the unique "Game of Knowledge - Around the World" card game! This exciting parlour game brings young and old together and offers hours of entertainment for the whole family. With a total of 600 questions, divided into 2 difficulty levels and 4 exciting categories, the "Game of Knowledge" offers a wealth of challenges for all players. The categories range from history and science to art and culture, so there is something for every thirst for knowledge. The special thing about this game is that the questions are divided into two difficulty levels. This intelligent division ensures that children and adults have an equal chance of winning. The "Game of Knowledge" not only encourages joint play, but also promotes learning and growth for players of all ages. The ultimate goal is to be the first player to own three of the four different continent cards and then answer the all-important final question correctly. An exciting race for knowledge and strategy unfolds as players do their best to collect the continent cards and qualify for the final round.
