Product Description

Santa Dash! is the title of this festive Wasgij Christmas 19, 2 x 1000-piece jigsaw puzzle set. Christmas is just around the corner and Upper Pigglington marketplace is buzzing with shoppers looking to get their last presents and enjoy the festive season. Some of the people can't believe what they're seeing, but shouldn't they have been looking at the signs instead of their shopping lists? What could Grandma have spotted that amazed the shoppers? That's the picture you need to puzzle. Wasgij Christmas is the puzzle concept where you have to use your imagination and the clues given to piece together not what you see on the box, but what people see on the box! The finished size of each puzzle is approximately 68 x 49 cm, and the puzzles have been made from high quality recycled cardboard and precision die-cutting techniques to ensure that each puzzle piece retains its original shape time after time. With this edition, you also receive an additional 1000-piece jigsaw puzzle with the image of the box for free! Why is Wasgij so popular? With traditional jigsaw puzzles, you build exactly the picture that is depicted on the box. With Wasgij, you have to build a picture that is different from the one on the box. Although we give a few hints, Wasgij challenges your imagination. Together with the great drawings and pictorial humour, it's no wonder that Wasgij has topped the puzzle game charts for many years.
