Product Description

One of the Empire's most elite units emerged directly from one of its greatest defeats. It was the destruction of the first Death Star at Yavin 4 that prompted Admiral Garrick Versio to form the Inferno Squad to prevent similar disasters in the future. The squad is led by the admiral's daughter, Iden Versio, a highly skilled pilot who was one of the few to survive the destruction of the Death Star. She has repeatedly demonstrated her talent for unconventional tactics in the fight against the enemies of the Empire. At her side are other elite soldiers, including Gideon Hask, a man of ruthless determination and unwavering loyalty to the Empire.
