Product Description

Attention young world explorers! At last, you can once again put your sleuthing skills to the test and discover the world of Unlock! on your own with stories from all over the globe. Will you uncover all the secrets in the heart of Africa, in faraway Mexico and in mythical Olympus? Dive into tricky cases and explore exciting worlds and cultures. In Unlock! Kids: Legendary Stories, even the youngest players will once again find six new adventures of the bestselling escape game in a version specially developed for children. Six extraordinary stories full of puzzles, riddles and surprises, with materials and rules designed especially for young puzzle fans and inventors. This time, the adventures take players to Olympus, Africa and the jungles of Mexico. To play Unlock! Kids: Legendary Stories does not require an app. Thanks to the simple, playable tutorial, there are no rules to read. And what's really special is that the elements and cards in the worlds can be decoded again to experience a second adventure.
