shipping weight: 0.10 kg  
Manufacturer: Unstable Games

### Product Description

What could be worse than an impacting meteorite? - First dates. This expansion might save you from the dreaded friend zone, get you on fire or put you in embarrassing situations in front of your crush. 2-4 players 8+ Age 30+ minutes The Disastrous Dates expansion adds 54 new cards to the Happy Little Dinosaurs party game, all centred around the dinosaurs' first dates. You are taken into the exciting world of dating, where you can relive all the - often embarrassing - moments of a first date. From the first kiss to the much too early "I love you", you will experience many exciting dating adventures. A base game of Happy Little Dinosaurs is required to play. Expansion Publisher: Unstable Games Genre: Strategy game, card game Category: Party games Mechanism: Drafting, hand management Game content Cards 54
