Product Description

Dobble Super Mario is a card-based reaction game with five different game variants. In all variants, the aim is to be the first to find the symbol that matches on two cards and then name it out loud. But be careful: the shape and colour of a symbol are always the same, but the size can be different. Suddenly the little Daisy seems to look completely different to the big one. Find the familiar objects and characters from the popular Super Mario video games on 55 illustrated cards.
