Product Description

To dominate Terrinoth, players must use all available miniatures, orders, quests, influence, resources, runes, exploration and development and much more. Our insert stores all these components neatly and within easy reach and keeps the battlefield tidy. RUNE consists of 9 trays that can be removed individually and placed anywhere on the gaming table. Trays 1-4: One per player with his/her units, markers and victory/command cards. Tray 5: All neutral units. Tray 6: All markers. Tray 7: Hero figures and quest cards. Trays 8 and 9: Small cards, sorted by stacks. A frame for the bottom of the box helps to accommodate the game board pieces. When all the trays are in the box, there is space to place the rulebook on top. The box lid closes flush. The box can easily be stored on edge. This item is supplied as a kit that needs to be assembled. We recommend using wood glue for this (not included in the package).
