### Product Description

Immerse yourself in a world of imagination with our Fantasy Trio 3D Puzzle Kit! The puzzle dimensions are 16.9 cm x 16.9 cm x 11.4 cm. We present the ultimate blend of history, myth and natural wonder - our exclusive 3D wooden DIY set featuring the mighty Tyrannosaurus Rex. Perfect for curious minds and little hands, this set promises not just hours, but days of educational fun. Why choose our Fantasy Trio 3D Puzzle Kit? Educational and entertaining: Dive into the prehistoric world with the T-Rex, explore mythical realms with the Unicorn and discover the natural wonders of the Dynasty Hercules Beetle. This set combines learning with play and turns education into an adventure. Family time together: This set is not just for children. It offers the whole family the opportunity to participate in a meaningful, collaborative activity that strengthens bonds and creates lasting memories. Eco-friendly and safe: Made from high-quality, sustainable wood, each piece is designed for durability and safety, ensuring carefree playtime for parents and children alike. An impressive display: Once completed, these models aren't just toys - they're works of art. Display them in your child's room or family area to add a touch of playfulness and pride in their accomplishment. Perfect gift for any occasion: whether it's a birthday, holiday or just a special surprise, our Enchanting Trio Set is an ideal gift for kids who love to build, create and imagine. Dive into a journey of imagination and learning with our 3D Wooden DIY Set - where every piece is a step towards creativity, knowledge and family fun. Get yours today and watch your little one's eyes light up with excitement for the magic of creation! - Escape room game for home- Reusable
