Product Description

You're in a shopping centre and it's not shoppers who are flocking to the mall, but hordes of zombies who would like to have a bite of you. In Tiny Epic Zombies from Gamelyn Games, the zombie calypso has broken out. As befits games in the Tiny Epic series, everything takes place in miniature. This Feldherr organiser for your Tiny Epic Zombies board game box is a perfect match. - The organiser offers enough space for all meeple and game materials from Tiny Epic Zombies, as well as the contents of the Kickstarter Deluxe Promo Pack. - Fits into the original game box. - Two individually removable plastic token holders. - All cards also fit with protective sleeves. - With sleeved cards, the lid of the board game box protrudes approx. 2 cm. - No assembly required. All parts are ready for immediate use. - The rulebook, player cards, mall cards, objective cards and vehicle are stored separately in the game box. While you keep the zombies at bay, we'll keep your box tidy. Two plastic token holders help you to ensure your survival and not lose track of all the small parts. This keeps your game box perfectly organised, saves you time when setting up the game and allows you to start playing straight away.
