Product Description

Art.Nr.: 300054952 Art.bezeichnung: 1:10 Reifen (2) MN Slick C2 verst. 24mm These are slick rubber tires that are best suited for carpet circuits, or oily track surfaces. This new C2 compound is the replacement to the original Type C (Item 54256). It's been developed to offer similar performance. The tires feature integrated aramid fiber to ensure excellent grip, high endurance and consistent performance. Use with item #53434 Medium-Narrow Soft Inner Foams for technical circuits and #53435 Medium-Narrow Hard Inner Foams for high speed circuits. NOTE: These tires have an "H" molded designation on the sidewall to denote the difference between the old "C" compound and the new "C2" compound. The old "C" compound has a "C" letter molded on the sidewall. - Reinforced Tires Type C2 x2- These tires are excellent for use on grippy carpet surfaces, and facilitate smooth steering response. - Inner mesh helps prevent deformation. - Width: 24mm.
