Product Description

Item no.: 300156312 Item no.: 1:14 RC VOLVO FH12 Globetrotter 420 BS This tractor unit from TAMIYA not only impresses with its detailed replica, but also with its perfect accuracy of fit. The frame, leaf springs and shock absorbers are made of high-quality metal. A body made of impact-resistant plastic and chrome-plated wheel rims ensure a perfect appearance. A 3-speed manual gearbox is controlled via a separate servo and therefore enables a slow start and comfortable shifting while driving. Scope of delivery Volvo FH12 Globetrotter model construction kit, ABS plastic body with aero package, aluminium ladder frame, 1 an-driven rear axle, 3-speed manual gearbox, chrome-plated rims, instructions, 540 electric motor, warnings. Before you start assembling the model, you should have read and understood all the instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
