Product Description

Item no.: 300056375 Item description: 1:14 RC Volvo FH16 XL 750 4x2 The FH16 Globetrotter XL 750 4x2 is the flagship of the Swedish truck manufacturer VOLVO! The Globetrotter XL offers very comfortable space in the cab thanks to its high roof, making the original a popular long-distance truck. The Tamiya model has numerous detailed add-on parts such as the roof light bar, a front light bar under the radiator grille and illuminated side skirts (LEDs available separately). The kit already contains the 3-speed manual gearbox, add-on parts, a driver figure, photo-etched parts and much more. Required accessories: - At least 4-channel remote control - recommended Carson Reflex Stick 500501006 (6-channel), 500501003 (14-channel) or 500501004 (14-channel LCD display) - 7.2V NiMH battery pack, charger - Steering servo + servo for manual gearbox - Speed controller or TAMIYA multifunctional unit MFC-03 300056523 for the driving, lighting and The model can be supplemented with the following TAMIYA accessories: 300056505 Trailer supports+semitrailer plate electric (for optional trailer) 300056523 1:14 MFC-03 truck multifunctional unit 300056526 Electric motor torque-tuned 33T truck 300056535 1:14 Aluminium clutch lever plate 2/3 axle 300056559 1:14 Ball bearing set truck 4x2 (22) Sound functions. Volvo FH16 XL 750 4x2 model construction kit, ABS plastic body with a aero package, aluminium ladder frame, 1 driven rear axle, 3-speed manual gearbox, chrome-plated rims, instructions, 540 electric motor. ATTENTION! Before you start assembling the model, you should have read and understood all the instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
