Product Description

More fun with the game, less time spent sorting: The organiser fits into your game box - Offers space for the basic game and the expansions "The Herbal Witches" and "The Alchemists". Things are slowly getting crowded in tranquil Quedlinburg, as herbal witches and alchemists are now bustling around alongside the quacks. There's stirring and shaking everywhere and just one wrong move could lead to disaster. And to make sure that doesn't happen to you, we've got your back with this Feldherr organiser set made of sturdy plastic. You can organise everything neatly and clearly in the customised trays and put it straight from the box onto the game board at the start of the game. This saves valuable time and nerves. - The organiser set offers space for all game materials from the "The Quacksalbers of Quedlinburg" base game and the expansions "The Herbal Witches" and "The Alchemists" from eggertspiele. - Fits into the original board game box of "The Quacks of Quedlinburg" base game. - The set consists of 1 tray with two token holders, 8 token holders, 1 card holder and 2 plastic trays. - All components of the organiser are individually removable and can be distributed on the table for the game. - All cards also fit in the card holder with sleeves. - The cloth bag is stored separately. - Rulebooks, the cauldrons (player boards) and the victory point track are on top. - Transport and tilt-proof - vertical storage possible - No assembly required. All parts are ready for immediate use. Save yourself the time-consuming task of organising and arranging chips, cards and accessories at the start of each game. With the Feldherr token boxes and the card holder, everything is now compactly stored and always where you need it. From rubies to ingredient chips and rat tokens - every chip, every wooden marker and every card has its own compartment. This makes it easier for you to sort things after the game. With the organiser, you can always find what you need straight away and, thanks to the individually designed compartments, you can see immediately if a piece is missing. At the same time, this storage system reliably protects the game material against creases and other wear and tear. To start the game, simply take the token and card holders out of the box and spread them out on the game table. This leaves you more time for the game and you can concentrate fully on brewing your concoctions. The set contains: - 1 tray with two plastic token holders for wooden markers and starting ingredient chips - 4 plastic token holders, each with 2 compartments for ingredient chips - 2 plastic token holders, each with 6 compartments for ingredient chips - 1 plastic card holder for fortune cards, markers and dice - 1 plastic token holder with 5 compartments for cracker chips, patient markers, blanks and overflow trays - 1 plastic tray for up to 22 ingredient books - 1 plastic token holder with 3 compartments and 2 recesses for essence markers, fortune and essence cards, patient boards, herb witches - 1 plastic tray for bottles - 1 foam lid The foam lid supplied prevents your game material from falling out of the token holders during transport. Finally, place the rulebooks, cauldrons (player boards) and the victory point track on top and your game is packed. - fine-pored foam - Made in Germany - chlorine-free and acid-free As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. - thermoplastic - no assembly required - ready to play - 3D printed in Germany
