from **125,38 EUR**

Item no.: 390528
shipping weight: 1.00 kg
Manufacturer: TAMIYA

Product Description

TAMIYA presents the reissue of the Mercedes-Benz AMG CLK on the TT-02 chassis. The road base has a 4 litre V8 engine with 470PS. The racing car was reworked and given a new aerodynamics package and won the constructors' championship of the German Touring Car Masters in 2002. The 58712 TAMIYA model in 1:10 scale is based on the proven TT-02 chassis. The wheelbase, ground clearance, track and gear ratio can be adjusted in many ways and the chassis can be quickly tuned into a racer with the countless optional tuning parts. The 4WD drive with central shaft, double wishbones and suspension struts on all four wheels ensure a true-to-life driving experience and optimum traction. The underside of the chassis has an extra smooth design and the battery compartment accommodates all standard battery types. A visual highlight are the wheel drivers, which have attached dummy brake discs. The enclosed body is already pre-painted in this special version. Required accessories: Remote control with receiver, steering servo, 7.2V NiMH battery pack, charger 4WD kit model, TT-02 chassis, Elect. Speed controller, 540 torque-tuned motor, pre-painted polycarbonate body with add-on parts, cardan drive, suspension struts, independent suspension, tread tyres, hull frame chassis, instructions. **ATTENTION!** You should read and understand all instructions before starting assembly. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. **Caution!** Not suitable for children under 14 years of age.
