Product Description

Item no.: 300058729 Designation: 1:10 RC Opel Kadett GT/E Rallye MB-01 TAMIYA presents the Opel Kadett GT/E on the MB-01 chassis. The GT/E was introduced in 1975 and was the high-end stage of the Kadett from Opel. The GT/E was a two-door coupe with a 1.9 litre engine and a revised suspension. Various teams entered this vehicle in competitions in 1976 and secured second place in the constructors' championship. The 58729 TAMIYA 1/10th scale model is based on the MB-01 M chassis. With this chassis, both the type of drive (front or rear engine) and the engine position (front, rear, low/high) can be freely selected. The drive is provided by a powerful 540 electric motor and the wheels have independent suspension. Required accessories: Remote control with receiver, steering servo, 7.2V NiMH battery pack, charger, paint for polycarbonate body (TAMIYA PS-). Contents: 2WD kit model, MB-01 chassis, Elect. Drive controller, 540 electric motor, independent suspension, spring leg front/rear, wheelbase adjustable in 3 positions, decal, instructions. ATTENTION! Before you start assembling the model, you should have read and understood all the instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
