### Product Description

The anniversary model is back! TAMIYA presented the original Top Force back in 1991 as 58100 and this model was also regarded as a real innovation in competition circles. In 2005, TAMIYA brought this model back onto the market under the number 58362. Now you can acquire this coveted re-edition for your collection. The model has an FRP double-deck chassis, FRP shock towers, steel cardan shaft and 2 ball differentials, just like back then. Contents 4WD kit model, vintage model, reissue, length 400mm, polycarbonate body, C.V.A. dampers, electric controller, motor. **WARNINGS** Before you start assembling, you should have read and understood all the instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. **Caution!** Not suitable for children under 14 years of age. **Product details** Technical details:- 1:10 scale kit model- Re-issue of item number 58362- Length: 400mm- 4WD cardan drive, clipped- aerodynamic and lightweight polycarbonate body and rear spoiler- FRP double deck chassis- FRP shock towers front and rear- oil pressure shock absorbers and independent suspension- 5-spoke racing wheels with multi-pin tyres- ball differentials front and rear, steel cardan shaft
