Product Description

Announced in March 2022, Honda's motorbike is the Dax 125, taking on the image of the first model launched in 1969 and featuring a T-shaped press frame and a long, thick seat. Equipped with an air-cooled 123 cc single-cylinder engine and a 4-speed gearbox that requires no clutch operation, the motorbike can be enjoyed in a variety of ways, from city riding to touring. A special version of such a Honda Dax is the Tamiya Limited Edition. Made to order and sold exclusively in Thailand, this limited edition motorbike features a bright metallic blue body colour. The exclusive parts used in each section ensure a high-quality finish that is also visually appealing. Kit model, scale 1:12. Length: 147mm, paint and glue are required separately. Caution!
