Product Description

The stand model is a replica of the Fiat Abarth 695 SS, one of the masterpieces of Carlo Abarth, who was able to deliver outstanding results as a tuner. Based on the Fiat 500, a car popular with the Italian public in the 1960s, the engine capacity was increased and every part, from the engine to the suspension, was tuned. The vehicle demonstrated driving performance reminiscent of a sports car and was also active in touring car races in the 1960s. Kit model, scale 1:24, replica engine and suspension, detailed instructions. Caution! Not suitable for children under 14 years of age.
