### Product Description

Item no.: 300047432 Designation: 1:10 RC Super Clod Buster Black Edition The Cloud Buster is back! The model known from the eighties is now experiencing a new edition in the "Black Edition". The body is made of ABS injection moulding and is already coloured black. The chassis has red add-on parts to round off the special version. The Cloud Buster is powered by two 540 electric motors and has permanent all-wheel drive. The design highlight is the all-wheel steering via a servo in the centre of the vehicle. The huge monster truck tyres and 55 mm ground clearance make it very suitable for off-road use. An electronic speed controller is already included in the kit. Required accessories: Remote control with receiver, steering servo, 7.2V NiMH battery pack, charger 4WD monster truck, kit, 2 motors, all-wheel steering, ABS body, Black Edition special model, incl. electronics speed controller, decor, instructions ATTENTION! You should read and understand all instructions before you start assembling the model. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
