Product Description

Item no.: 300047492 Item description: 1:10 RC Fiat Abarth 1000TCR MB-01 Paint. TAMIYA presents the Fiat Abarth 1000 TCR Berlina Corse on the MB-01 chassis. In this special version, the body is already pre-painted! The 58721 TAMIYA 1:10 scale model is based on the MB-01 M chassis. With this chassis, both the type of drive (front or rear engine) and the engine position (front, rear, low/high) can be freely selected. The drive is provided by a powerful 540 electric motor and the wheels have independent suspension. Required accessories: Remote control with receiver, steering servo, 7.2V NiMH battery pack, charger 2WD kit model, MB-01 chassis, Elect. Speed controller, 540 electric motor, painted body, independent suspension, strut front/rear, 3-way adjustable wheelbase, decals, instructions. ATTENTION! You should read and understand all instructions before starting assembly. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. Caution! Not suitable for children under 14 years of age.
