Product Description

Item no.: 300053295 Part no.: 1:10 Tyre inserts (4) Racing AB 26mm An inner foam that fits perfectly on 26 mm wide tyres for touring cars. Make it circular and fit it into the tyre. A structure is used where a space is provided between the tyre and the inner and the tyre is slightly dented to maintain grip. It fully restores the original grip of the tyre and prevents the entire tyre from twisting. 4x tyre inserts Caution! Not suitable for children under 14 years of age.
