from **127,19 EUR**

Item no.: 390587
shipping weight: 1.50 kg
Manufacturer: TAMIYA

Product Description

TAMIYA presents one of the most legendary super sports cars on the TT-02 chassis: The Honda NSX in the 1998 version! The NSX has a mid-engine and was introduced in 1990. It achieved worldwide attention through numerous racing events such as the Japanese GT series in 1996. The 1998 version has a 3.5l V6 engine and had revised aerodynamics, a lower centre of gravity and a new brake system. The 58739 TAMIYA model in 1:10 scale is based on the proven TT-02 chassis. The wheelbase, ground clearance, track and gear ratio can be adjusted in many ways and the chassis can be quickly tuned into a racer with the countless optional tuning parts. The 4WD drive with central shaft, double wishbones and suspension struts on all four wheels ensure a true-to-life driving experience and optimum traction. The underside of the chassis has an extra smooth design and the battery compartment accommodates all standard battery types. A visual highlight are the wheel drivers, which have attached dummy brake discs. Required accessories: Remote control with receiver, steering servo, 7.2V NiMH battery pack, charger 4WD kit model, TT-02 chassis, Elect. Speed controller, 540 torque-tuned motor, unpainted polycarbonate body with add-on parts, cardan drive, suspension struts, independent suspension, tread tyres, tub frame chassis, instructions. **ATTENTION!** Before you start assembling the model, you should have read and understood all the instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Special care should be taken to avoid injury. If difficulties arise during assembly, ask an adult to supervise the work or a model builder with RC experience or a specialist dealer. Only use tools for their intended purpose. There is a risk of injury if used incorrectly. If you use paint and/or glue (not included in the kit), observe and follow the instructions supplied with the kit. Keep the kit away from small children. Prevent children from putting any components in their mouths or pulling plastic bags over their heads. **Caution!** Not suitable for children under 14 years of age.
