Product Description

A conflagration destroys the large wooden bridge over the Thames. As a master builder, you are responsible for rebuilding the Old London Bridge. The new foundations are made of stone and buildings can even be erected on the bridge. A competition breaks out to build the most beautiful section of the bridge. Build chapels, bridge gates, inns, merchants' shops, guild houses and parks in the right order and use the various actions to make a profit, then you will be the richest master builder at the end of the game and win the game!
