Product Description

Australian artist Bernadette Twomey manages to put herself in an almost trance-like state while painting: "As I fill the canvas with colour, new shapes and types of plants emerge." Her large-scale and striking artworks, inspired by moods, emotions and seasons, celebrate Australian life. Discover the Ruby Sunshine motif: Bernadette Twomey's stylishly composed floral arrangements are inspired by the unique variety of colours and shapes of nature in her home country of Australia. - 1,000 pieces - Dimensions puzzle: 650 x 650mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
