Product Description

In addition to his cartoons for international print media, Belgian artist Steven "Lectrr" Degryse also publishes many comic books and illustrates games. His passion for hidden object pictures has led him to HEYE, and his detailed works can now also be puzzled to the delight of his large fan base! Discover the Car Cemetery motif: This junkyard is not the end of the line! People are still tinkering and tinkering, living and living, filming and working. Recycling is necessary and in vogue. - 1,000 pieces- Puzzle dimensions: 700 x 500mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
