Product Description

Australian artist Bernadette Twomey manages to put herself in an almost trance-like state while painting: "As I fill the canvas with colour, new shapes and types of plants emerge." Her large-scale and striking artworks, inspired by moods, emotions and seasons, celebrate Australian life. Discover the motif Beautiful Futures: The flowers, leaves and colours that Bernadette Twomey has put together simply make you happy and cheerful when you do the puzzle. Sounds like the ideal leisure activity! - 1,000 pieces - Puzzle dimensions: 560 x 560mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
