Product Description

The Austrian artist Günther Konrad combines fragments of popular individual works from art history with his own drawings, spray paintings, sketches and snapshots. He first goes back to the past and then works on new, wild, analogue and digital visual worlds. His aim is to unite opposites and bring them into harmony. Discover the Danger Kids motif: Günther Konrad brings opposites together in his pictures and unites them in a fascinating and extremely decorative harmony. A very exciting puzzle! - 1,000 pieces - Puzzle dimensions: 500 x 700mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "artificial material" that will remain are the motifs themselves - still the finest, cool, trendy, exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
