Product Description

The Israeli artist Gal Barkan creates fascinating imaginary cities that look like real places on distant planets, in alternative universes or in another timeline on Earth. He loves experimenting with digital technologies and techniques and their endless possibilities. And he makes the right music to go with it. Discover the Markets District motif: Israeli artist Gal Barkan creates imaginary cities that look like real places on distant planets, in alternative universes or in another time. - 1,000 pieces- Puzzle dimensions: 500 x 700mm Puzzle fun yesterday, today and tomorrow. Both our manufacturer and Athesia Kalenderverlag itself have been FSC-certified companies for several years now. Now it's time to take the next step: From the 2024 programme, HEYE puzzles will be gradually converted to plastic-free production. This will start with the new products, some of which are already completely free of plastic bags and shrink-wrapping. The only "art material" that will remain are the motifs themselves - still the finest, coolest, trendiest, most exciting, likeable, atmospheric, cosy, exclusive and definitely the best puzzle material!
